About us

Iman Shafagostar Company started its activity in 2002 with the aim of producing and supplying disposable fibers, fiber covers and sterile disposable surgical packs by Dr. Nasrin Mohaghefar.

This company is the first designer and the first manufacturer of sterile surgical packs under the title of simple patient pack, half pack, full pack, perio, implant and surgeon pack, etc.

We have been able to take a big step for the health and safety of our country in the field of equipping our customers' dentists, offices and clinics with sterile packs and adding the smile of our customers' satisfaction to our work resume.
